Stunning make-up tuition

Beauty tips and tricks for life!

THE WOW FACTOR, LEAVING YOUR FRIENDS GREEN WITH ENVY!!!

Perfect your skincare and make-up routine with an in-home lesson!

Have you ever wondered if you're getting your beauty routine exactly right? Skincare and make-up items can seem like a bunch of mysterious lotions and potions at times!

Well, take a deep breath... Makeup Melbourne is offering in-home make-up and skincare tuition, which will have you looking your best for the party season, for a lowly \$150!

Makeup Melbourne knows all about the art of beauty. Director and senior stylist Carrie has spent half her life surrounded by the beauty industry. A professional makeup artist, qualified beauty therapist and hair stylist, she has years of experience in beauty, including in TV, films, music and editorial work. Carrie has travelled the world attending workshops and training session to bring you

the latest-most-up-to-date tricks and techniques used around the globe! The biz also specialises in bridal makeup and hairstyling, plus beauty treatments like manicures, lash extensions and spray tans.

The make-up artist will travel to homes within 75km of the Melbourne CBD - and can teach you and up to four friends in the same session!

First up, you'll get to choose from two skincare workshops: [How To Look 10 Years Younger Without Surgery](#) (designed for mature skin) or [The Beginning of the New You](#) (designed with younger skin in mind and an entry level to skincare)!

What you'll get...and it's quite the list!... a skin assessment, a treatment plan, a list of recommended products, and skincare lessons on how to use certain products and why. Plus, you'll also experience an ultra-premium Swiss mini facial and get to try luxury products, which are guaranteed to help you achieve your beauty goals – ooh la la! You'll also learn the benefits of using a skincare system, designed especially for your skin, plus answers to all your skincare and beauty questions!

Now for the make-up tuition... Expect a glamorous new look, including a makeup lesson to re-create the look! Plus, colour matching (including recommended hues and textures), a style guide - comprising how to apply your make-up and a shopping list - confidence to do your own make-up at home, and answers to all your make-up questions. Plus, you'll also learn little tricks of the trade, like how to make eyes appear bigger or stand out through special techniques!

Makeup Melbourne certainly brings the wow factor to you!

Here's what other clients have had to say...

"Carrie, thank you - you made me look so beautiful!!! Had a wonderful time on Saturday night - it was amazing!!! The curls stayed in beautifully and I got so many compliments about the colours you had used for my makeup. Thank you again." - Laura

"I was really happy with our stylist. She was on time and came very well-prepared. Was very professional as well." - Jade

"Thank you for the trial makeup with Carrie. All communication to organise the trial was professional. She arrived on time and did a great job. It's great to see a simple thing, like listening to clients, is done to ensure a positive result." – Jacqui
